Camacho is responsible for the leadership team that manages the 600+ employees that operate 14 delis across 7 states. He feels it is a special honor to build a company from the first sale in 1999 to the successful company it is today.

Camacho's leadership activity is spread across business and industry, community volunteerism, professional, youth, and faith, which include membership in Greater Cool Springs Chamber, past Board Member; Heritage Church of Christ membership, serving as a Disciple and Encourager; Franklin Baseball Club coach; Brentwood Cool Springs Chamber of Commerce, past Board Member; active volunteer for Habitat for Humanity, United Way, March of Dimes, and Relay for Life.

A graduate of the University of Texas at Austin, Camacho holds a Bachelor of Arts degree in Psychology. During this time, he worked with emotionally challenged youth in a psychiatric hospital. He also served the Austin, TX, community as a Juvenile Probation Officer.

Camacho feels it would be an honor to serve the community as a member of the Leadership Franklin class. In his words, "Serving others is the role of a leader. A leader must model all aspects of life to have credibility with followers. I hope to meet other leaders and serve the community in an expanded fashion."
