

**Kevin Herrington**  
**SVP and CIO, Franklin Synergy Bank**

Herrington is responsible for branch operations, deposit operations, IT, internet banking, document imaging, and item processing.

Herrington's leadership activities in the business and industry arena include membership in TBA Strategic Technology Council and membership in Cool Springs Rotary, 2006-2007. He is currently training and preparing for an upcoming Ironman triathlon event in late August. Herrington is a certified scuba instructor and certified Cross Fit endurance trainer.

Herrington's Bachelor of Business Administration in Finance is from Belmont University. He is a former Army officer. Herrington holds several business certifications, including Certified Information Systems Security Professional and Accredited ACH Professional.

Anticipating the Leadership Franklin experience, Herrington feels as his professional career has evolved in the banking industry, it is important to take the next step in community involvement. In Herrington's words, "I hope to gain a better knowledge of Franklin. Then I will use that knowledge to become more active and contribute to the community of Franklin."

A resident of Williamson County for 31 years, Herrington feels the community as a whole needs to become healthier and live an active lifestyle.
